Please note parking is limited, however there are number of public car parks signposted clearly within Newcastle city centre, though be warned – they are likely to be extremely busy during Magic Weekend! Information can be found on the Newcastle Council website. If you do need to use your car, use the postcode 'NE1 4ST' in your sat-nav to find the stadium.

BY METRO

Newcastle upon Tyne is served by the Tyne & Wear Metro system, a light rail network with frequent services between Newcastle Airport, Newcastle city centre, the coast, major transport interchanges and destinations south to Wearside.

We recommend St. James' Metro station for local coastal destinations including North Shields, while Monument station – a five-minute walk away – is served by both yellow and green line routes towards Newcastle International Airport, South Shields and the coast.

To reach St. James' Park from Monument station, walk west on Blackett Street and continue onto Gallowgate. The stadium will become visible on your right.

For more information, visit <https://www.nexus.org.uk/metro>

BY TRAIN

Situated on the East Coast Mainline, it is a principle stop for services between London and Edinburgh/Glasgow. In addition to regional services to Middlesbrough and Carlisle, it also offers direct cross-country routes to and from Leeds, Manchester, Liverpool Birmingham and Bristol.

The station is a ten-minute walk from St. James' Park, walk west along Neville Street (A186) and turn right onto St. James' Boulevard. The stadium is located at the top of the road and will become visible as you reach the junction with Bath Lane/ Wellington Street.

BY PUBLIC BUS

Newcastle upon Tyne has two major bus stations for local and regional services – Haymarket, for services to and from Northumberland and the North, and Eldon Square, for services to and from County Durham and the South. Both are located on Percy Street, a five-minute walk from St. James' Park.

To reach the stadium, walk south west on Percy Street and turn right onto Gallowgate. St. James' Park will become visible on your right.

ONCE YOU'RE THERE

TICKETS

Please enter the stadium via the turnstile indicated on your ticket. The North (Leazes), East and South (Gallowgate) stands are for tickets with unreserved seating. The main West (Milburn) stand will accommodate supporters with reserved seats.

RESERVED SEATING

Spectators must ensure that they sit in their allocated seat(s). Although there may be adjacent seats that appear to be empty, it is likely that ticket holder hasn't yet arrived or is elsewhere in the stadium.

UNRESERVED SEATING

It is important to note that if an unreserved seat is vacated, it may not be possible to return to the same seat at a later time. Certain seats or blocks within unreserved areas of the stadium bowl may be marked as RESERVED (e.g. close to wheelchair platforms and dug outs) and as such are not available to holders of unreserved seat tickets. Spectators should ensure that they do not sit in any seat marked reserved if they have purchased a ticket for an unreserved area.

FINDING YOUR SEAT

NUFC stewards will be located at strategic points in the seating deck to assist you in finding your allocated seat.

IDENTIFICATION FOR CONCESSIONS

If a concessionary ticket has been purchased, identification may be requested on entry. Holders of such tickets should ensure that they have appropriate ID with them.

PASS OUT SYSTEM

A pass out/return system will be operated on both event days allowing spectators to move freely to and from the stadium bowl – there is no limit on the number of times someone is allowed to pass out and re-enter.

Spectators leaving the stadium bowl with the intention of returning may do so but MUST first ensure that they have a hand stamp applied upon initial exit; if there is no evidence of a hand stamp re-entry will not be permitted. Hand stamps will be applied by stadium stewards.

Dedicated exit and re-entry gates in each stand will be used to facilitate this operation. Different coloured hand stamps will be used for each level each day. It is important that match tickets are not discarded; tickets need to be produced for re-entry if using the pass out system. Re-entry to the stadium bowl will be on production of both a hand stamp and relevant match ticket.
